

Established in 1934 by Indiana Farm Bureau, Inc., our family of companies, now known as Indiana Farm Bureau Insurance, has continued to evolve and grow to a solid, respectable organization, providing all Indiana residents the opportunity for multiple lines of insurance coverage.

Our company history has been a work in progress, giving Indiana Farm Bureau Insurance additional strength, financial resources and a reputation as a valuable corporate citizen. The company is a leader in auto and homeowners insurance and the largest writer of farm insurance in the state. Through the years, we've expanded to include insurance products for your auto, home, life, business and farm through our network of nearly 500 agents and 1,200 employees living and working throughout the Hoosier state.

We've adapted to changing times, but our original values and commitment to serving Hoosier residents have remained the same. Indiana Farm Bureau Insurance is committed to sharing our success with the communities we serve. In addition, we believe stewardship of member-clients defines our culture and distinguishes our organization. As good stewards, we do our best to help our insureds manage precious resources.
